**"What P.E.O. means to me":** A warm, special sisterhood that has welcomed me with "open arms" in 3 different cities as a member and in various chapters as a visitor. Just knowing my sisters are always there through the "ups and downs" with loving support is a precious gift. Our cause for women's education makes P.E.O. so unique and wonderful.

Three little known facts:

1. I play the piano by ear.
2. I was on the Tommy Bartlet Radio Show in Chicago when I was 9 years old.
3. I married my high school sweetheart.
